Administrative Information

Conditions Governing Access

The materials are open for research.

Conditions Governing Use

Copyright has not been transferred to Yale University. Further use of this material may be subject to the copyright laws of the United States (Title 17, United States Code) or to site license or other rights management terms or conditions.

Preferred Citation

19th-20th Century North American Architecture Photograph Collection, Arts Library, Yale University

Scope and Contents

Collection consists of mounted black and white and color reproductions of modern Canadian and U.S. architecture. Content varies from original photographic prints to reproductions from magazines and other published sources. Some sections have accompanying clippings folders.

Arrangement

Arranged alphabetically by country. Further sub-divided by city or other location, building type and name.
