---

### **Processing Information**

This collection received a preliminary level of processing, including rehousing, minimal organization, and listing of contents, upon receipt by the Library. In 2007-2008, the contents list was migrated to comply with current archival descriptive standards. Further rehousing and description was carried out in 2012.

As a rule, descriptive information found in the Collection Contents section is drawn in large part from information supplied with the collection and from an initial survey of the contents. Folder titles appearing in the contents list below are often based on those provided by the creator or previous custodian. Titles have not been verified against the contents of the folders in all cases. Otherwise, folder titles are supplied by staff during initial processing.

This finding aid may be updated periodically to account for new acquisitions to the collection and/or revisions in arrangement and description.

Formerly classed as: Uncat MSS 581.
