Collection Overview

**REPOSITORY:** Manuscripts and Archives
Yale University Library
P.O. Box 208240
New Haven, CT 06520-8240
mssa.assist@yale.edu
http://www.library.yale.edu/mssa/

**CALL NUMBER:** RU 410

**CREATOR:** Yale University. School of Medicine

**TITLE:** Arbovirus Research Unit, Department of Epidemiology and Public Health, Yale University, records

**DATES:** 1950–1983

**PHYSICAL DESCRIPTION:** 7.5 linear feet

**LANGUAGE:** English

**SUMMARY:** The records consist of administrative and research files documenting the activities and operations of the Arbovirus Research Unit of the Department of Epidemiology and Public Health, Yale School of Medicine.

**ONLINE FINDING AID:** To cite or bookmark this finding aid, please use the following link: http://hdl.handle.net/10079/fa/mssa.ru.0410

Requesting Instructions
To request items from this collection for use in the Manuscripts and Archives reading room, please use the request links in the HTML version of this finding aid, available at http://hdl.handle.net/10079/fa/mssa.ru.0410.

To order reproductions from this collection, please go to http://www.library.yale.edu/mssa/ifr_copy_order.html. The information you will need to submit an order includes: the collection call number, collection title, series or accession number, box number, and folder number or name.

Key to the container abbreviations used in the PDF finding aid:
b. box
f. folder

Administrative Information

**Conditions Governing Access**
Access to the records is restricted. See Collection Contents for details.
Preferred Citation

Arbovirus Research Unit, Department of Epidemiology and Public Health, Yale University, Records (RU 410). Manuscripts and Archives, Yale University Library.

Scope and Contents

The records consist of administrative and research files documenting the activities and operations of the Arbovirus Research Unit of the Department of Epidemiology and Public Health, Yale School of Medicine.

General note

Forms part of Yale Record Group 27-I (YRG 27-I), Records of Yale School of Epidemiology and Public Health.

Arrangement

The records are arranged by type of material.
## Collection Contents

Restricted until Jan 1, 2018
