Accession 1980-A-001. Motion picture film of Chubb Fellowship lectures

Reappraised and processed by Barbara Fiddler and Stephen Cohen, 2002.

Note: Films and production records listed below, were originally attributed to Yale University Films since Manuscripts and Archives staff packed up their records in 1991. Research on the films reveals them to come from various units on campus. Because of the medium, they all ended up at Yale University Films. The films are now reassigned to RUs that more accurately reflect their creation and original purpose.

Original audiovisual materials, as well as preservation and duplicating masters, may not be played.
Researchers must consult use copies, or if none exist must pay for a use copy, which is retained by the repository. Researchers wishing to obtain an additional copy for their personal use should consult Copying Services information on the Manuscripts and Archives web site.
