Biographical / Historical

WSCF was founded in 1895 with the aim of uniting movements or associations of Christian students throughout the world. The Federation is organized into six regions, each with its own regional office. The regions and the locations of their regional offices are as follows: Africa (Nairobi, Kenya), Asia-Pacific (Hong Kong), Europe (Trento, Italy), Latin America and the Caribbean (Buenos Aires, Argentina), Middle East (Beirut, Lebanon), North America (New York, United States).

The Africa Regional Office is located in Nairobi, Kenya, and coordinates the efforts of 30 national movements across the continent. These national movements are called student Christian movements or SCMs. In addition to the SCMs, there are also several associate groups and organizations affiliated with the Federation through the Africa Regional Office. The organizational structure of the WSCF Africa Region includes the Africa Regional Committee (ARC), the Regional Executive Committee, and Sub-regional Committees.
