Administrative Information

Conditions Governing Access

Access to the records is restricted. See Collection Contents for details.

Some records in this finding aid have been redacted, as they include student names, donor names, and other restricted data. These records will not appear in the published finding aid.

Conditions Governing Use

Copyright for materials authored or otherwise produced as official business of Yale University is retained by Yale University. Copyright status for other collection materials is unknown. Transmission or reproduction of materials protected by U.S. Copyright Law (Title 17, U.S.C.) beyond that allowed by fair use requires the written permission of the copyright owners. Works not in the public domain cannot be commercially exploited without permission of the copyright owners. Responsibility for any use rests exclusively with the user.

Preferred Citation

Philip K. Bond, Professor of Medicine, School of Medicine, Yale University, Records (RU 962). Manuscripts and Archives, Yale University Library.

Processing Information

Yale University records are arranged and described at the accession level by the creating office. The University Archives creates collection level descriptive records, but typically does no further arrangement and description at the accession level.

Scope and Contents

The records consist of files of Philip K. Bondy, professor in the Yale School of Medicine, concerning the Department of Internal Medicine; Yale's relation to the Veteran's Administration Hospital in West Haven, Connecticut; and other administrative matters.

General note

Forms part of Yale Record Group 27-E (YRG 27-E), Records of departments, programs, and projects of the Yale School of Medicine.

Arrangement

The records are arranged by accession.
