Administrative Information

Immediate Source of Acquisition

Acquired from various sources. For further information, consult the appropriate curator.

Conditions Governing Access

The materials are open for research.

Conditions Governing Use

The Burney Family Collection is the physical property of the Beinecke Rare Book and Manuscript Library, Yale University. Literary rights, including copyright, belong to the authors or their legal heirs and assigns. For further information, consult the appropriate curator.

Preferred Citation

Burney Family Collection. The James Marshall and Marie-Louise Osborn Collection, Beinecke Rare Book and Manuscript Library, Yale University.

Processing Information

This register, produced from catalog cards, lists the correspondence and personal papers contained in the Burney Family Collection.

Scope and Contents

The collection spans the dates 1767-1903, but the bulk of the material dates from between 1790 and 1825.

The papers are arranged in three series. [Series I, Burney Family Collection](#), is arranged alphabetically by correspondent and consists of the papers which had been previously cataloged in the card catalog. Major correspondents represented in the collection include Charles Burney (1726-1814), the musicologist and author of *A General History of Music* (1776); his son Charles Burney, D.D. (1757-1817); his daughter Fanny Burney d'Arblay, the diarist and author of *Evelina* (1778); and other members of the Burney family. Other correspondents include Alexandre d'Arblay, William Bewley, Hester Lynch Piozzi, Thomas Twining, and John Young.

Additions to the Burney Family Collection subsequent to June 1992 are listed in acquisition order in [Series II, Burney Family Collection Additions](#), and [Series III, Addition of August 2001](#).

The material in Series I has been described in Joyce Hemlow's *A Catalogue of the Burney Family Correspondence, 1749-1878* (New York: New York Public Library, 1971). This work, it should be noted, is an index to holdings of Burney material at several institutions, including Yale University, and the New York Public Library. For further information, please contact the curator of the Osborn Collection.

BURNEY, CHARLES, D.D., 1757-1817 (continued)

b. 5, f. 371	Passport (French) issued to Charles Burney, D.D. This passport was previously attributed to Charles Burney, Mus. D. (1726-1814), but the passport is now believed to have been issued to his son, Charles Burney, D.D. (1757-1817) based on a researcher's observations. The researcher notes that the senior Charles Burney's letters do not mention travel nor is there a gap in the letters indicating travel around the time the passport was issued. However, the junior Charles Burney traveled to France around the time the passport was issued as noted in <i>The Additional Journals and Letters of Frances Burney</i> , ed. Stewart Cooke. On page 261, in a letter dated 28 July [17]85, Frances writes, "I am now come hither with my dear Father [and] the family for some time." On page 264, Frances writes to the junior Charles Burney's wife on 9 August [17]85, "Let me congratulate you ... upon the return of my Brother", and at the end she asks, "pray give my kindest Love to le joli monsieur justement arrive de paris."	1785 Jul 28
