Biographical Sketch

The Peabody Museum of Natural History at Yale University has an extensive and rich archive of materials related not only to the history of the Museum, the individuals involved in its founding, and the early days of its collections, but also to the early history of higher education in the natural sciences in the United States, especially in paleontology. Much of the Yale Peabody Museum's exceptional collections of over 12 million specimens and objects in anthropology, zoology, paleontology, entomology, ornithology, geology, mineralogy, meteorites and historical scientific instruments have been photographically documented.

Description of the Material

The archives of the Yale Peabody Museum contain material relating to the founding and history of the Museum as well as the archives various faculty, staff and affiliates.
