CALL NUMBER: Pam Coll 2

TITLE: Hospital annual reports and ephemera collection

DATES: 1805–1969

BULK DATES: 1840–1900

PHYSICAL DESCRIPTION: 13.5 linear feet

LANGUAGE: English

SUMMARY: Annual or biennial reports and other pamphlets issued by hospitals in China, Great Britain (especially London), and the United States. The states best represented are Massachusetts, New York, and Pennsylvania. Types of hospitals include general hospitals, specialty hospitals (children's, eye, lying-in, etc.), dispensaries, asylums, and homeopathic hospitals. About 200 hospitals are represented in this collection.

Administrative Information

Immediate Source of Acquisition

The collection was created by the Medical Historical Library. Provenance for individual items in the collection is unknown.

Conditions Governing Access

This collection is open for research.

Conditions Governing Use

Copyright status for collection materials is unknown. Transmission or reproduction of materials protected by U.S. Copyright Law (Title 17, U.S.C.) beyond that allowed by fair use requires the written permission of the copyright owners. Works not in the public domain cannot be commercially exploited without permission of the copyright owners. Responsibility for any use rests exclusively with the user.

Preferred Citation

Hospital annual reports and ephemera collection. Historical Library, Harvey Cushing / John Hay Whitney Medical Library, Yale University.

Arrangement

Arranged in series and subseries alphabetically by country, state, city, and hospital. Items in hospital subseries are arranged by date.
