---

## Administrative Information

---

### Immediate Source of Acquisition

The majority of the postcards were received from the Andover Newton Theological School when its library collections came to the Yale Divinity Library in 2017.

---

### Conditions Governing Access

The material is open for research.

---

### Preferred Citation

Church Postcard Collection (RG 315), Special Collections, Yale Divinity Library

## Scope and Contents

The collection includes photographic postcards showing church buildings primarily in New England but also elsewhere throughout the United States. Many denominations are represented but Baptist and Congregational churches predominate. The postcards are arranged by denomination, then by state, then by city. Many of the Baptist, Congregational, and Methodist church postcards were digitized through the Atla Cooperative Digital Resources Initiative and are available online through the Atla Digital Library. URLs for available digital versions are noted in the finding aid.
