CALL NUMBER: RU 410

CREATOR: Yale University. School of Medicine

TITLE: Arbovirus Research Unit, Department of Epidemiology and Public Health,
Yale University, records

DATES: circa 1950-1983

PHYSICAL DESCRIPTION: 7.5 linear feet

LANGUAGE: English .

SUMMARY: The records consist of administrative and research files documenting the activities and operations of the Arbovirus Research Unit of the Department of Epidemiology and Public Health, Yale School of Medicine.

ONLINE FINDING AID: To cite or bookmark this finding aid, please use the following link: <https://hdl.handle.net/10079/fa/mssa.ru.0410>

Requesting Instructions

To request items from this collection for use in the Manuscripts and Archives reading room, please use the request links in the HTML version of this finding aid, available at <https://hdl.handle.net/10079/fa/mssa.ru.0410>.

To order reproductions from this collection, please go to http://www.library.yale.edu/mssa/ifr_copy_order.html. The information you will need to submit an order includes: the collection call number, collection title, series or accession number, box number, and folder number or name.

Key to the container abbreviations used in the PDF finding aid:

b. box
f. folder

Administrative Information

Conditions Governing Access

Access to the records is restricted. See Collection Contents for details.

Some records in this finding aid have been redacted, as they include student names, donor names, and other restricted data. These records will not appear in the published finding aid.

Preferred Citation

Arbovirus Research Unit, Department of Epidemiology and Public Health, Yale University, Records (RU 410). Manuscripts and Archives, Yale University Library.

Scope and Contents

The records consist of administrative and research files documenting the activities and operations of the Arbovirus Research Unit of the Department of Epidemiology and Public Health, Yale School of Medicine.

General note

Forms part of Yale Record Group 27-I (YRG 27-I), Records of Yale School of Epidemiology and Public Health.

Arrangement

The records are arranged by type of material.

Collection Contents**Accession 1998-A-116: Records, circa 1950-1983**
