**CALL NUMBER:** Pam Coll 17

**CREATOR:** American Medical Association

**TITLE:** Publications on the costs of medical care

**DATES:** 1928-1980, undated

**PHYSICAL DESCRIPTION:** 1 linear foot (2 boxes)

**LANGUAGE:** English

**SUMMARY:** The collection includes pamphlets and articles regarding the costs of medical care for medical practitioners, medical institutions, and patients, 1928-1980 (bulk of materials are from 1928-1950). Topics include contract medical practice, medical economics, medical service plans, national medical insurance programs, personal medical insurance plans, physician incomes, and public health expenditures. Series I. includes materials produced by the American Medical Association; Series II. includes materials created by national and state government bureaus, national committees related to medical care, medical companies, and individual authors. Most materials are related to health care in the United States, a small number are related to the National Health Service of Great Britain.
