Administrative Information

Immediate Source of Acquisition

The collection was created by Medical Historical Library staff from items gifted by Bert Hansen, 2019, gifted by Naomi Rodgers, 2023, and items of unknown provenance.

Conditions Governing Access

The collection is open for research.

Conditions Governing Use

Copyright status for collection materials is unknown. Transmission or reproduction of materials protected by U.S. Copyright Law (Title 17, U.S.C.) beyond that allowed by fair use requires the written permission of the copyright owners. Works not in the public domain cannot be commercially exploited without permission of the copyright owners. Responsibility for any use rests exclusively with the user.

Preferred Citation

Health pamphlets issued by Metropolitan Life and other insurance companies. Historical Library, Harvey Cushing / John Hay Whitney Medical Library, Yale University.

Scope and Contents

The collection includes pamphlets issued by the Metropolitan Life Insurance Company and other American insurance companies on topics related to health and wellness, published between 1875-1976. Topics include children's health, citizenship, dental care, disease, first aid, infectious disease, longevity, nutrition, public health, sanitation, and "health heroes". The bulk of the collection was issued by the Metropolitan Life Insurance Company, contents also include pamphlets issued by John Hancock Mutual Life Insurance Company, Mutual Life Insurance Company, New York Life Insurance Company, and Prudential Life Insurance Company of America.

Arrangement

The collection is arranged in two series: Series I. Metropolitan Life Insurance Company, 1898-1978. and Series II. Other insurance companies, 1875-1936.

Series I. Metropolitan Life Insurance Company, 1898-1970, is further arranged in subseries by topic. Subseries are arranged by publication date, then alphabetically by title.

Series II. Other insurance companies, 1875-1936, is further arranged in subseries by company. Subseries are arranged alphabetically by publication title.

Collection Contents
