Administrative Information

Immediate Source of Acquisition

The collection was created by the Medical Historical Library. Provenance for individual items in the collection is unknown.

Conditions Governing Access

The collection is open for research.

Conditions Governing Use

Copyright status for collection materials is unknown. Transmission or reproduction of materials protected by U.S. Copyright Law (Title 17, U.S.C.) beyond that allowed by fair use requires the written permission of the copyright owners. Works not in the public domain cannot be commercially exploited without permission of the copyright owners. Responsibility for any use rests exclusively with the user.

Preferred Citation

History of medicine biography reprints and publications. Historical Library, Harvey Cushing / John Hay Whitney Medical Library, Yale University.

Scope and Contents

The collection includes reprints of journal articles and small publications regarding figures associated with medical history. The collection was created by library staff from materials transferred to the Medical Historical Library at an unknown date. Materials are arranged alphabetically by subject or author last names. Some collection materials include markings and/or correspondence indicating previous ownership by people affiliated with the Yale School of Medicine or the Medical Historical Library.
