Processing Information

Preliminary processing was done to the Hermann Hagedorn papers at an unknown date. During reprocessing of the collection in 2010, materials that had been classified separately in Za Robinson (Edwin Arlington Robinson's letters to Hagedorn) and the Za Name File were repatriated; arrangement of correspondence and writings was largely preserved in Series I and II; and clippings and other materials were established as Series III and IV respectively. Folder headings listed below are transcribed from folders.

Formerly classed as Za Hagedorn, Za Robinson, and Za Name File.
