Administrative Information

Conditions Governing Access

Access to the records is restricted. See Collection Contents for details.

Conditions Governing Use

Copyright for materials authored or otherwise produced as official business of Yale University is retained by Yale University. Copyright status for other collection materials is unknown. Transmission or reproduction of materials protected by U.S. Copyright Law (Title 17, U.S.C.) beyond that allowed by fair use requires the written permission of the copyright owners. Works not in the public domain cannot be commercially exploited without permission of the copyright owners. Responsibility for any use rests exclusively with the user.

Preferred Citation

Department of Biological Safety, Yale Health Service, Records (RU 227). Manuscripts and Archives, Yale University Library.

Processing Information

Yale University records are arranged and described at the accession level by the creating office. The University Archives creates collection level descriptive records, but typically does no further arrangement and description at the accession level.

Biographical / Historical

The Yale Department of Biological Safety implements policies set forth by the Biological Safety Advisory Committee, articulates overall safety objectives, and oversees compliance of safety regulations.

Scope and Contents

The records consist of memoranda, correspondence, job descriptions, and minutes documenting the Department of Biological Safety at Yale University, particularly the establishment of the department and the search for its first director.

General note

Forms part of Yale Record Group 35 (YRG 35), Records documenting Yale health services.

Collection Contents

Accession 1995-A-027: Records. Health Services. Department of Biological Safety, 1977-1980, 1977-1983
