CALL NUMBER: RU 738

CREATOR: Yale University. School of Medicine

TITLE: Department of the History of Science and Medicine, School of Medicine, Yale University, records

DATES: 1949-1981

PHYSICAL DESCRIPTION: 20.25 linear feet (50 boxes)

LANGUAGE: English

SUMMARY: The records consist of administrative files, reports, correspondence, and personnel and student records documenting the Department of the History of Science and Medicine (known as the Department of the History of Medicine prior to 1959) at the Yale Medical School. Included are the records of the department chairs John Farquhar Fulton, Frederick Lawrence Holmes, Derek John de Solla Price, and Lloyd Grenfell Stevenson, and the correspondence of professors George Rosen and Henry Ernest Sigerist.

ONLINE FINDING AID: To cite or bookmark this finding aid, please use the following link: <https://hdl.handle.net/10079/fa/mssa.ru.0738>

Requesting Instructions

To request items from this collection for use in the Manuscripts and Archives reading room, please use the request links in the HTML version of this finding aid, available at <https://hdl.handle.net/10079/fa/mssa.ru.0738>.

To order reproductions from this collection, please go to http://www.library.yale.edu/mssa/ifr_copy_order.html. The information you will need to submit an order includes: the collection call number, collection title, series or accession number, box number, and folder number or name.

Administrative Information

Conditions Governing Access

Access to the records is partially restricted. See Collection Contents for details.

Some records in this finding aid have been redacted, as they include student names, donor names, and other restricted data. These records will not appear in the published finding aid.

Conditions Governing Use

Copyright for materials authored or otherwise produced as official business of Yale University is retained by Yale University. Copyright status for other collection materials is unknown. Transmission or reproduction of materials protected by U.S. Copyright Law (Title 17, U.S.C.) beyond that allowed by fair use requires the written permission of the copyright owners. Works not in the public domain cannot be commercially exploited without permission of the copyright owners. Responsibility for any use rests exclusively with the user.

Preferred Citation

Department of the History of Science and Medicine, School of Medicine, Yale University, Records (RU 738). Manuscripts and Archives, Yale University Library.

Processing Information

Yale University records are arranged and described at the accession level by the creating office. The University Archives creates collection level descriptive records, but typically does no further arrangement and description at the accession level.

Scope and Contents

The records consist of administrative files, reports, correspondence, and personnel and student records documenting the Department of the History of Science and Medicine (known as the Department of the History of Medicine prior to 1959) at the Yale Medical School. Included are the records of the department chairs John Farquhar Fulton, Frederick Lawrence Holmes, Derek John de Solla Price, and Lloyd Grenfell Stevenson, and the correspondence of professors George Rosen and Henry Ernest Sigerist.

General note

Forms part of Yale Record Group 27-E (YRG 27-E), Records of departments, offices, programs, and projects of the Yale School of Medicine.

Arrangement

The records are arranged in eight series: I. Background Records and Annual Reports. II. Correspondence. III. Records of Journals, Books and Articles. IV. Administrative Records. V. Projects and Exhibits. VI. Colloquia, Course Information and General Student Matters. VI. Grants. VII. Personnel and Student Records.
