Accession 1980-A-001: University Public Information motion picture films of Yale events and student life, circa 1969-1978

Reappraised and processed by Barbara Fiddler and Stephen Cohen, 2002.

Note: Films and production records listed below, were originally attributed to Yale University Films since Manuscripts and Archives staff packed up their records in 1991. Research on the films reveals them to come from various units on campus. Because of the medium, they all ended up at Yale University Films. The films are now reassigned to RUs that more accurately reflect their creation and original purpose.
