CALL NUMBER: MS 1160

CREATOR: Winer, Herbert Isaac

TITLE: Herbert Isaac Winer papers

DATES: 1911-2014

PHYSICAL DESCRIPTION: 29.75 linear feet (70 boxes)

LANGUAGE: English

SUMMARY: The papers of Herbert Isaac Winer include material related to Dr. Winer's teaching at the Yale Forestry School (later Yale School of Forestry and Environmental Studies), including course files, student files, correspondence, and class trips to the Yale Forestry Camp in Crossett, Arkansas. Research files consist of field data and statistical studies of logging and sawmill operations in the southern United States, especially in Crossett and Urania, Louisiana. The papers include data sheets, statistics, graphs, camp logs and reports, maps, and similar papers, many of them compiled by Winer. They are divided into studies of Urania, Crossett, and general mill studies and field data, and have been arranged chronologically within each division. Outside of Yale University, the papers include research files from Winer's employment at the Pulp and Paper Research Institute of Canada (1964-78) and the Mead Corporation (1979-1988). Further material includes files from Winer's forestry consulting work, various forestry related journals and publications collected by Winer for research, course work, or personal use, and personal files after his retirement from teaching in 1996.

Administrative Information

Immediate Source of Acquisition

Gift of Elwood Maunder, 1968 and Herbert I. Winer, 2000, 2004, 2012, and 2018.

Conditions Governing Access

Administrative records are restricted until 2039 as established by Yale Corporation regulations. <http://web.library.yale.edu/mssa/collections/research-use-of-yale-university-archives>.

Student records are restricted until 2076 as established by Yale Corporation regulations. <http://web.library.yale.edu/mssa/collections/research-use-of-yale-university-archives>. Original audiovisual materials, as well as preservation and duplicating masters, may not be played. Researchers must consult use copies, or if none exist must pay for a use copy, which is retained by the repository. Researchers wishing to obtain an additional copy of non-commercially produced items for their personal use should consult the ordering reproductions information on the Manuscripts and Archives web site. Original born digital files, as well as preservation masters, may not be accessed due to their fragility. Researchers must consult use copies, or if none exist request that they be made. Born digital files cannot be accessed remotely. System requirements include a Manuscripts and Archives computer and file viewing software.

Conditions Governing Use

Copyright for unpublished materials authored or otherwise produced by Herbert Isaac Winer, whether such works are at Yale or physically located elsewhere in the world, was transferred to Yale University in 2011. These materials may be used for non-commercial purposes without seeking permission from Yale University as the copyright holder. For other uses of these materials, please contact beinecke.library@yale.edu. Copyright status for other collection materials is unknown. Transmission or reproduction of materials protected by U.S. Copyright Law (Title 17, U.S.C.) beyond that allowed by fair use requires the written permission of the copyright owners. Works not in the public domain cannot be commercially exploited without permission of the copyright owners. Responsibility for any use rests exclusively with the user.

Preferred Citation

Herbert Isaac Winer Papers (MS 1160). Manuscripts and Archives, Yale University Library.

Processing Information

The folder headings are those used by Winer.

Biographical / Historical

Herbert Isaac Winer received a BA from Yale University in 1942. Following military service during World War II, he returned to the university and earned a PhD in forestry in 1956. He served as an instructor in forestry, 1952-1956, and as an assistant professor of logging, 1956-1963. He held several positions in logging research with the Pulp and Paper Research Institute of Canada, from 1964-1978, and with the Mead Corporation in Dayton, Ohio, from 1979-1988. Winer served as president of the Forest History Society,

1987-1989. In 1988 Winer returned to Yale to serve as a lecturer at the School of Forestry and Environmental Studies until his retirement from teaching in 1996. Winer died in New Haven, Connecticut in 2019.

Scope and Contents

The papers of Herbert Isaac Winer include material related to Dr. Winer's teaching at the Yale Forestry School (later Yale School of Forestry and Environmental Studies), including course files, student files, correspondence, and class trips to the Yale Forestry Camp in Crossett, Arkansas. Research files consist of field data and statistical studies of logging and sawmill operations in the southern United States, especially in Crossett and Urania, Louisiana. The papers include data sheets, statistics, graphs, camp logs and reports, maps, and similar papers, many of them compiled by Winer. They are divided into studies of Urania, Crossett, and general mill studies and field data, and have been arranged chronologically within each division. Outside of Yale University, the papers include research files from Winer's employment at the Pulp and Paper Research Institute of Canada (1964-78) and the Mead Corporation (1979-1988). Further material includes files from Winer's forestry consulting work, various forestry related journals and publications collected by Winer for research, course work, or personal use, and personal files after his retirement from teaching in 1996.

Arrangement

The materials are arranged by accession.

Collection Contents**Inventory, 1940-1962***4.5 feet linear (11 boxes)*

	Urania, Louisiana	
b. 1, f. 1	Grade recovery tallies, pine and hardwood	1940-1942
b. 1, f. 2	Logging field data	1941-1942

Accessions 2018-M-0001, 2018-M-0004: Additional Material, 1911–2014

20.52 linear feet (48 boxes)

The accession includes Accessions 2018-M-0001 and 2018-M-0004 and consists of material related to Herbert Winer's teaching at the Yale Forestry School (later Yale School of Forestry and Environmental Studies), including course files, student files, correspondence, and class trips to the Yale campsite at Crossett, Arkansas. The accession also includes research files from Winer's employment outside of Yale at the Pulp and Paper Research Institute of Canada (1964-78) and the Mead Corporation (1979-1988). Further material includes files from Winer's forestry consulting work, various forestry related journals and publications collected by Winer for research, course work, or personal use, and personal files after his retirement from teaching in 1996.

The materials are open for research.

Administrative records are restricted until 2039 as established by Yale Corporation regulations. <http://web.library.yale.edu/mssa/collections/research-use-of-yale-university-archives>.

Student records are restricted until 2076 as established by Yale Corporation regulations. <http://web.library.yale.edu/mssa/collections/research-use-of-yale-university-archives>.

Original audiovisual materials, as well as preservation and duplicating masters, may not be played. Researchers must consult use copies, or if none exist must pay for a use copy, which is retained by the repository. Researchers wishing to obtain an additional copy of non-commercially produced items for their personal use should consult the ordering reproductions information on the Manuscripts and Archives web site.

Original born digital files, as well as preservation masters, may not be accessed due to their fragility. Researchers must consult use copies, or if none exist request that they be made. Born digital files cannot be accessed remotely. System requirements include a Manuscripts and Archives computer and file viewing software.

The material is divided into four groupings: research files, Yale University files, personal and post-retirement files, and photographs and slides.

	Research files	1940s-2000
	Consulting files	
b. 1, f. 1	The Connecticut Research Conservation & Development Forestry Committee	1989–1990
	Correspondence	
b. 1, f. 2	Atkinson, David	1995
b. 1, f. 3	Berard, Jean	1993
b. 1, f. 4	Black, Jean Thomas	1991

Accession 2018-M-0039: Additional Material, 1927–2011*1.46 linear feet (4 boxes)*

Includes accession 2018-M-0039 and consists of material related to Herbert Winer's studies and teaching at the Yale Forestry School (later Yale School of Forestry and Environmental Studies), including class notes, lecture notes, administrative files, and material on logging practices gathered from tours of western logging companies in the 1950s. Also includes personal and professional correspondence, and subject and research files from institutions outside of Yale.

The materials are open for research.

Administrative records are restricted until 2039 as established by Yale Corporation regulations. <http://web.library.yale.edu/mssa/collections/research-use-of-yale-university-archives>.

Student records are restricted until 2076 as established by Yale Corporation regulations. <http://web.library.yale.edu/mssa/collections/research-use-of-yale-university-archives>.

The material is divided into three groupings: correspondence, subject files, and Yale School of Forestry and Environmental Studies files.
