Biographical / Historical

Born Irene Greene Dwen, Mrs. Pace (1892-1962) was an avid bookplate collector from the early 1920s until 1962. In addition to over 150,000 plates in her collection, she also maintained a reference library related to bookplates as well as heraldry and biographical research. Pace commissioned several hundred bookplates for herself. In 1936, she published *Owners of Books: The Dissipations of a Collector*.

Scope and Contents

The collection contains examples of bookplates from various academic institutions. In addition to bookplates, the collection also contains correspondence, related factual information cut out from catalogs or journals, and some handwritten notes by the collector.

Arrangement

Arranged alphabetically by the name of the institution. Institutions with the names of the saints were grouped together and ordered alphabetically under the name of Saint. Abbreviations such as San, St., S, etc. were ignored. Any unidentified schools are grouped together at the end.

Any correspondence or ephemeral materials relating to a specific bookplate are filed together with the bookplate. If known, the artist and date of the bookplate have been recorded as well as the location of the school. Multiple copies of bookplates are also noted.
