## Scope and Contents

The records document ecumenical student Christian work in the United States and are valuable for the way in which they complement other archival collections at the Divinity Library. Added to papers of Ruth Harris, Margaret Flory, John R. Mott, Clarence P. Shedd, Robert Wilder, Luther Wishard, Henry Burt Wright and others, as well as the archives of the World Student Christian Federation, Student Volunteer Movement, Student Christian Movement in New England, New England Commission for United Ministries in Higher

Education, National Campus Ministry Association and YMCA Student Division, the CЕСSM archives provide a detailed picture of the development of religious work among college and university students in the United States.

Series I contains background material and documents of the predecessor organizations of the CЕСSM, including the National Ecumenical Student Christian Council. Series II documents the "Celebrate" conferences - ecumenical student conferences coordinated by the CЕСSM. See YDSL Record groups 46A and 46B for additional documentation of the World Student Christian Federation North America Region, with which the CЕСSM was affiliated.

Series III contains general administrative records of the CЕСSM: committee records, financial reports, staff reports, etc. It is divided into several subseries: Subseries 1: CЕСSM in formation; Subseries 2: Partners group; Subseries 3: Steering and Administrative Committees; Subseries 4: Financial Records; Subseries 5: Staff Reports; Subseries 6: Program Activities; Subseries 7: CЕСSM Publications; Subseries 8: Correspondence files.

There is some overlap between the various subseries because the records came from the files of different individuals, particularly Ruth Harris and Gayla Spicknall. Gayla Spicknall was the primary CЕСSM staff member in its New York office from 1987 until 1992, when she was stricken with cancer. Ruth Harris was a CЕСSM "partner" representing the United Methodist Church.
