## Administrative Information

---

### Conditions Governing Access

The materials are open for research.

## **Preferred Citation**

Yale University Buildings and Grounds Photographs (RU 703). Manuscripts and Archives, Yale University Library.

---

## **Processing Information**

Yale University records are arranged and described at the accession level by the creating office. The University Archives creates collection level descriptive records, but typically does no further arrangement and description at the accession level.

---

## **Scope and Contents**

The collection contains pictorial materials depicting various Yale buildings and grounds, and is arranged according to a region and chronology identification system. Included are maps, aerial views of Yale and New Haven, and photographic prints of architectural plans, drawings and proposals. Materials for many buildings are classified in individual record units and are not described here.

---

## **General note**

Forms part of Yale Record Group 46-A (YRG 46-A), Records and materials broadly documenting Yale buildings, facilities, and grounds.

---

## **Arrangement**

The collection is arranged in five series and subsequent accessions. I. Photographs and drawings. II. Oversize. III. Slides. IV. Transparencies. V. Folio.
